Deliver Maximum Irrigation with Safety and Simplicity

Max-I-Probe® Irrigating Probes offer a unique design for unmatched effectiveness, patient comfort and safety in irrigating root canals and periodontal pockets. The unique side vent produces an upward turbulence that enhances complete cleaning of root canals, removing significantly more bacteria than conventional needles.

Periodontal Pockets

Side port produces unique flushing motion to completely irrigate pockets

Rounded tip protects tissue

Root Canals

Design produces upward flushing motion for complete canal irrigation

Side port dispersal prevents solution and debris from being expressed through the apex

Closed, rounded end reduces risk of apex damage

The Tip that Makes the Difference

Max-I-Probe® is designed with a close-ended tip with a side vent to safely and efficiently deliver irrigants. Sharp or straight ended syringes can lacerate or puncture, but Max-I-Probe allows you to fully cleanse the gingival sulci without damaging tissue.¹

Flexibility

The flexibility of Max-I-Probe allows you to safely reach places that no other probe can.

Maximum Ordering Options

Max-I-Probe® comes in a wide selection of sizes from 23 gauge to 30 gauge in boxes of 40 or 100 probes, giving you all the options you need to stock up. In addition, Max-I-Probe now offers the added convenience of combination probe and syringe packages, containing 100 probes, plus 100 sterile, disposable 3 cc syringes — all together in one economical package.

| Box of 40 Probes | Box of 100 Probes | 100 Probes + 100 Syringes | Description | Color | Outer Diameter | Std. Root Canal Inst. |
|------------------|-------------------|---------------------------|-------------|------------|----------------|-----------------------|
| MAXP234 | MAXP231 | MAX231S | 23 ga. x 1" | Light Blue | .025 | #70 |
| MAXP244 | MAXP241 | MAX241S | 24 ga. x 1" | Violet | .022 | #60 |
| MAXP254 | MAXP251 | MAX251S | 25 ga. x 1" | Orange | .020 | #50 |
| MAXP284 | MAXP281 | MAX281S | 28 ga. x 1" | Red | .014 | #40 |
| MAXP304 | MAXP301 | MAX301S | 30 ga. x 1" | Blue | .012 | #30 |
